

CEN TC 121 structure 2011:

TC 121/SC 3 Welding consumables

TC 121/SC 4 Quality management in the field of welding

TC 121/SC 4/WG 1 Welding guidelines for ferritic steels

TC 121/SC 5 Testing of welds

TC 121/SC 5/WG 1 Radiography of welds

TC 121/SC 5/WG 2 Ultrasonic testing of welds

TC 121/SC 7 Equipment for gas welding, cutting and allied processes

TC 121/SC 8 Brazing

TC 121/SC 8/WG 1 Qualification for brazing

TC 121/SC 9 Health and safety in welding and allied processes

TC 121/SC 9/WG 3 Welding curtains

TC 121/SC 9/WG 4 Testing and marking of equipment for air filtration for welding and allied processes

TC 121/SC 9/WG 5 Fume analysis data sheets

TC 121/SC 9/WG 6 Procedure for quantitative determination of fume from resistance spot welding

TC 121/WG 13 Destructive testing
