

CEN TC 121 structure in 2021:

| | |
|-------------------------|---|
| CEN/TC 121 | Welding and allied processes |
| CEN/TC 121/WG 3 | Welding consumables |
| CEN/TC 121/WG 19 | Equipment for gas welding, cutting and allied processes |
| CEN/TC 121/WG 20 | Brazing |
| CEN/TC 121/WG 21 | Testing of welds |
| TC 121/SC 4 | Quality management in the field of welding |

Remark:

Most of the standardization work is performed at ISO level under ISO/TC44. Hence, a lot of the former technical commissions and working groups are disbanded.
